TOTAL	240.08

¹ Winning team of the tournament will receive gold medals. In every team there are 9 players. One gold medal cost us 1.09 Euros ($1.09 \times 9 = 9.81$).

² Runners up of the tournament will receive silver medals. One silver medal cost us 1.09 Euros ($1.09 \times 8 = 9.81$).

³ Certificates will be given to best player of the tournament, best batsman, best bowler, winners of the tournament, runners up team of the tournament and man of the match.

⁴ Winning team will receive a trophy.

⁵ Runners up will receive a trophy.

⁶ We need to buy new tennis balls for the tournament.

⁷ We also need to buy a new cricket bats for the tournament.

⁸ We need two tape roles for the tournament. We role ^{the} tape on the tennis ball to play cricket.
